

COMPLIANCE LABELLING

COMPONENT
PACKAGING

Intelsius provide a comprehensive range of UN regulation labels to meet transport marking requirements. Category A and B labels feature a peel-off section with the required additional markings. Labels can be ordered in kit form, or in full reels. This is a cost effective solution for use with Intelsius outers suitable for Category A & B and temperature controlled shipments.

Product Code	Product Name	Dimensions
LA001	Category B UN3373 Label (Small)	55 x 85 mm 2.2 x 3.4 in

COMPLIANCE LABELLING

Class 6.2 'Special Case' Compliance

COMPONENT
PACKAGING

Intelsius provide a range of 'special case' labels to meet transport marketing requirements for biological materials which are exceptions or exemptions from Category A or B classification. This include Exempt Human and Animal Specimen and Genetical Modified Organisms/Micro-Organisms, classified as UN3245.

Exception labels are available as self-adhesive sheets and can also be supplied with cover labels to cover existing pre-printed UN3373 markings. This is a cost effective solution to adapt Intelsius Category A & B and temperature controlled shipments for 'special case' biological materials.

Product Code	Product Name	Dimensions	Quantity	Intelsius Product Range Application
